K-Love radio station serves me in Omaha Nebraska with contemporary Christian music, religious commentaries, spiritual worship, and encouraging ministries. It is truly God ordained with all proceeds provided by Christian folks throughout our wonderful nation. It would be sinful to displace our broadcast signal by an LPFM broadcaster providing other programming. I thank God for our strong nation which was established for religious freedom. I cannot imagine living in a country where Christians are murdered for their faith in God. At one time, our country was the envy of many nations as we provided the Gospel through missionary services throughout the world. We have now become the mission field for outside missionaries to spread the Gospel of Jesus Christ to our own people. We as a nation, need God back in our schools, our families, & our government. K-Love has been a wonderful medium for our very own evangelism, bringing 1,000's of people to Christ through their radio ministry. Please support their ministry which God has so wonderfully blessed! With God, anything is possible. Sincerely, Jerry Hobrock
